CM010 SUPERVISED PASTORAL MINISTRY INTERNSHIP

PASTORAL MINISTRY INTERNSHIP - DESCRIPTION

All ESCM students who wish to graduate with the Diploma of Pastoral Studies must complete a Pastoral Ministry Internship. This internship can be completed in a church or in an institution such as a hospital, nursing home or prison. The purpose is to expose students to aspects of pastoral ministry with which they may be unfamiliar and to develop pastoral skills and competencies under the supervision of a mentor.

A Pastoral Ministry Internship is an opportunity for students to gain experience in various areas of pastoral ministry, with particular attention paid to types of ministry experiences that are new to the student or which they and their supervisor feel is an area of weakness. These may include visitation, counseling, preaching, administration or any other area of pastoral ministry where a supervised internship will enhance the student's preparation for future service. A minimum of twenty-five hours of supervised ministry is required.

Students who are ordained/licensed or already experienced pastors may request this requirement to be waived. If it is waived, no credit will be granted. An elective will be substituted for the requirement. The ESCM Director will evaluate waiver requests, which must be submitted in writing.

To complete the Pastoral Ministry Internship, students must:

- Complete a Pastoral Ministry Internship proposal, which must be forwarded to the ESCM office. When this form is received the student will be registered for the course entitled "Supervised Pastoral Ministry." The regular course fee will be charged.
- Complete a minimum of 25 hours of pastoral ministry experience as outlined in section 3 and 4 of the Pastoral Ministry proposal.
- Upon completion of the internship, the student will write a "ministry internship reflection paper." This is an informal paper written by the student in which he or she will describe the tasks undertaken in the internship and reflect upon what was learned about himself or herself and the tasks of ministry. This paper will be submitted to the Director of ESCM (see guidelines below)
- Have their mentor complete the evaluation form and send this to the ESCM office.

Upon the reception of the completed evaluation form and the student's "reflection paper" one credit will be granted. No letter grade will be assigned other than CR (credit).

CM010 SUPERVISED PASTORAL MINISTRY INTERNSHIP

PROCEDURE FOR COMPLETING A SUPERVISED MINISTRY INTERNSHIP

Select a mentor. In most cases this person will be your own pastor, but students may request any qualified person to act as their mentor (see above for qualifications).

After consultation with your selected mentor, complete the attached Pastoral Ministry Internship proposal. Complete ALL sections and have the mentor sign the agreement when it is finished. The completed form must then be forwarded to the ESCM office. You will be registered for a course entitled "Supervised Pastoral Ministry Seminar." Keep a copy of the agreement for your own information. The ESCM office will forward a copy of the agreement to the mentor along with an evaluation form.

In accordance with the agreement, hold regular meetings with your mentor.

In accordance with the agreement, carry out the ministry tasks described in the agreement.

Upon completion of the tasks outlined in the agreement:

- Write a "ministry internship reflection paper." This is an informal paper (4-8 pages) written by the student in which he or she will describe the tasks they undertook in the internship and reflect upon what they learned about themselves and the tasks of ministry. This paper will be submitted to the Director of ESCM.
- Meet with your mentor for a final evaluation. Have the mentor complete the evaluation form and forward this to the ESCM office.
- Upon receipt of your reflection paper and the mentor's evaluation, you will be granted one credit for the course entitled "Pastoral Ministry Internship."

GUIDELINES FOR WRITING A PASTORAL MINISTRY INTERNSHIP REFLECTION PAPER

This is a 4-8 page paper to be written by the student upon completion of the internship. The purpose of the paper is to reflect upon the experience and what you learned from it. You are also asked to do a self-evaluation in which you look at what you regard as your gifts for ministry, your strengths and weaknesses and what you believe to be God's calling for you at this point in your life. The goal is not to just "write a paper" but to take the time to reflect upon your spiritual journey and to put on paper how you believe God is calling you to serve Him and His Kingdom. There is no "grade" for the paper. The ESCM Director will read it. Students who wish to do so can arrange an appointment with the ESCM Director to discuss their paper, the internship experience and their future plans for ministry.
